Printer Scale

Your credit card should fill this box to the black outline if the guide is printed at 100%. If you cant see the black line, you've printed at a reduced size.

UPR .com EQUIPPED TO WIN Racing Supply

To Print:
Set to "Landcape" and print at 100% by turning off any scaling options such as "fit to media". To make sure guide has printed as 100%, use printer scale by placing a credit card in box to the left.

Once measured, check the product sizing guides on the product page. Not all brands are the same, so check your sizing between brands.
